

INDIVIDUALLY WRAPPED MANIFESTO® COOKIES AND BARS

On the Go Ingredients That Care

As COVID-19 continues to impact people across the globe, staying healthy, balanced, & focused are important traits to power us through this unprecedented time. Many businesses are being affected like never before & are looking for solutions...for innovative ways to spur business & profit.

With convenience rooted in better-for-you ingredients & comforting flavors, our Individually Wrapped Manifesto Cookies & Bars are here to provide those solutions.

THE LANDSCAPE IS CHANGING, LITERALLY OVERNIGHT:

- B&I now offering enhanced delivery services of prepacked meals.
- Grocers increasing delivery services.
- Restaurants & Bars restricted to takeout/delivery services only.
- Healthcare facilities faced with increased feeding of staff & patients.
- C-store's serving influx of customers & some implementing delivery services.

2/3 OF CONSUMERS ARE CONCERNED ABOUT EATING AT RESTAURANTS.

With restrictions preventing dining-in, many restaurants are offering take-out services. Our individually wrapped products offer a clean & safe option for dessert on the go.

WHOLESOME, CLEAN INGREDIENT SOURCING

Our Manifesto® products use only **non GMO** ingredients

Our Manifesto® desserts use **cage free eggs** only

The proof is in (or rather not in) the ingredient statements.

FEAR OF SPREADING THE VIRUS THROUGH FOOD IS A BIG CONCERN.

Rational or not, some consumers associate a higher risk factor with food; we as humans have been trained to be highly sensitive to what we put in our mouths. Our individually wrapped products are perfect solution to ease that fear of transmission. source: Datassential | COVID-19 report 2
